

Non-Profit Status and Financial Access

We hereby attest and certify to the Idaho Council on Domestic Violence & Victim Assistance that:

- Our program is a non-profit organization. On file and available upon audit is 1) a copy of the recipient's 501(c)(3) designation letter; 2) a letter from the recipient's state/territory taxing body or state/territory attorney general stating that the recipient is a non-profit organization operating within the state/territory; or 3) a copy of the recipient's state/territory certificate of incorporation that substantiates its non-profit status. Sub-recipients that are local non-profit affiliates of state/territory or national non-profits should have available proof of (1), (2) or (3), and a statement by the state/territory or national parent organization that the recipient is a local non-profit affiliate.

- Our program's financial statements are available online (either on the sub-recipient's, or another publicly available website). OVC will consider sub-recipient organizations that have Federal 501(c)(3) tax status as in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
