SANE Training
Adolescent/Adult Sexual Assault Nurse Examiner Training

By

Debra Holbrook RN
Forensic Nursing
Baltimore City Mercy Medical Center

**Debra Holbrook, R.N., SANE-A, FNE A, Forensic Nurse Coordinator, Mercy Medical Center
Adjunct Faculty, Institute for Johns Hopkins School of Nursing**

Ms. Holbrook is a graduate of Johns Hopkins School of Radiologic Technology and The Union Memorial Hospital School of Nursing in Baltimore, Maryland. After working in the field of critical care, Ms. Holbrook founded a Forensic Nurse Examiner Program in Delaware that became a model for the United States (US Senate, 2002).

Ms. Holbrook has integrated comprehensive forensic practice into the SANE model and her programs have cared for patients of all types of interpersonal violence including domestic, elder, child, institutional, vulnerable populations, gunshots, stabbings, non-accidental poisonings and burns. She has pioneered the use of the Alternative Light Source technology and helped to establish court precedents in strangulation cases in Maryland court systems. She is currently Director of Forensic Nursing at Mercy Medical Center in Baltimore which coordinates care for victims of interpersonal violence in all of the hospitals throughout the city of Baltimore.
