Grant Announcement

I. FUNDING OPPORTUNITY DESCRIPTION

A. Purpose

As the State Administering Agency for the Victims of Crime Act (VOCA), the Family Violence Prevention and Safety Act (FVPSA), and the State of Idaho Domestic Violence Project Account (DV Account) funds, the Idaho Council on Domestic Violence and Victim Assistance (ICDVVA) provides financial and programmatic management of your VOCA, FVPSA, and DV Account subawards, including any supplemental awards offered by VOCA and FVPSA that we are eligible to apply for. ICDVVA produces Requests for Proposals (RFPs) each year, collects and reviews applications, and makes award recommendations to the governing Council. Upon the Council's approval, ICDVVA is also responsible for opening and closing each subaward in accordance with federal guidelines.

Applicants may apply for multiple funding streams, depending on eligibility.

B. Expectations

ICDVVA requires programs to use funding to address the immediate health and safety of crime victims. Examples of services include, but are not limited to, crisis intervention, crisis hotlines, shelters, advocacy, and emergency services that are intended to restore the victim's sense of security.

Applicants are expected to:

- Meet requirements and adhere to policies specified by ICDVVA
- Use funds to provide or improve services to victims of crimes
- **Collaborate** within the community to provide victim services, including collaborating with other victim service programs, law enforcement, healthcare, and the criminal justice system
- **Participate in Quarterly Data Collection.** All subgrantees are required to collect and report program required data quarterly to ICDVVA, so that ICDVVA can meet its obligations under the Federal VOCA and FVPSA requirements
- **Submit Quarterly Financial Reports.** All subgrantees are required to submit quarterly financial reports to ICDVVA

II. AWARD INFORMATION

All grant awards are dependent upon appropriation by the Idaho Legislature in the ICDVVA FY24 Budget. Federal funding amounts are determined by the federal funder and may vary annually.

ICDVVA reserves the right to discontinue funding if a subrecipient is not in good standing.

III. ELIGIBILITY INFORMATION

A. Eligible Applicants

This funding announcement is open to both new applicants and existing VOCA, FVPSA, and DV Account subrecipients. Please be aware that ICDVVA reserves the right to adjust funding sources as necessary to accommodate statewide needs. Answer the supporting questions about your request:
2. If the funding source(s) being requested are not available, please indicate if you would like ICDVVA to consider using other funding sources for your request.

B. Priority Categories for ICDVVA Funding

1. Indicate all populations served by your program and estimate the percentage of victims you serve from each of the priority funding categories. Select all that apply. ***Note: the total of these percentages cannot exceed 100% — total will auto-calculate.** Please do not double count any victims. 1. Select all of the organizations that apply from the list of potential collaborators. Use the Other spaces to add additional partners.
 - *The maximum points available for this question are 5. To achieve a maximum score, the applicant must demonstrate robust and exceptional collaboration with other programs in the region ensuring victim services are prioritized.*

VI. Budget

The maximum points available for this section are 20. Please be accurate, thorough, and provide clear explanations in your narrative. Criteria used to determine scoring includes: % of funding request for direct services, % of Executive Director salary included in the request, complete descriptions for all budget line items, and thorough justifications for any new or expanded services and training requests.

The FY24 Budget Worksheet in Excel includes four (4) tabs: Budget Request, Match, Funding Sources, and Personnel Request. **All areas shaded in grey will auto-calculate—please do not enter any information in these cells.** When completing the Budget Worksheet, please note the following parameters:

- At least 60% of your request must fund Direct Services.
- Your Admin Salary line cannot exceed 5% of the total award.
- Executive Director Salary is capped at 93% of your total award for FY24.

- Promotional Giveaways will not be covered in FY24. Printed materials and advertising can be requested under outreach activities, but no merchandise.
- Please be aware that Training Requests will be scrutinized carefully in FY24. Virtual and free trainings should be utilized whenever possible. Trainings that you plan to make available statewide will be prioritized for funding.

Budget Worksheet

- The Direct Services and Indirect Services in the first column have been listed for you. You may add other items in the lines for “Other.” If you need more lines, please contact your grant manager or info@icdv.idaho.gov for assistance.
- For each line item, fill in the colored columns with the amount of money you are requesting from each funding stream.
- Use the Description column to provide a thorough but concise description of the items you will be funding under each category. For example, if you have requested Utilities for your office, specify which ones. If you have requested an Equipment Lease line item, specify what equipment will be covered, etc.
- Make sure that every non-personnel expense you have asked for in your budget is addressed in this table.
- In Columns J and K, please indicate if the line item represents a new or expanded service. If so, please provide a narrative explanation in Question 5 of the Fiscal Management section of the application.

Match

- List each source of match that you anticipate using for FVPSA and State DV awards in FY24. For each source, provide a description and the estimate value, and indicate whether the match will be in cash or in-kind.

Funding Sources

- List all the expected funding for the FY24 grant term (October 1, 2023–September 30, 2024) including the source and either the known or pending/expected amount for that source. The total of all sources and the percentage of the total agency budget will automatically calculate.

Personnel Request

- In the table’s first column, enter the job titles of each employee you are asking to be covered under an ICDVVA grant.
- The second column should include the wages plus fringe and employer taxes for a full grant year. Even if you are only asking for a portion of this employee to be covered under the grant, please include the TOTAL annual amount in this column.

- The third column should include the hourly rate for this employee. If salaried, please calculate and include an hourly rate. ICDVVA has provided a FY23 Compensation Summary showing wages for grant funded positions in FY23. This is an optional tool which programs may use to compare hourly rates for similar positions at similar programs at a statewide or regional level.
- The fourth column should indicate the percentage of the employee's pay intended to be covered by ICDVVA grants.
- The fifth column should indicate whether the position is currently filled or unfilled.
- The sixth column will automatically calculate the ICDVVA cost per year. You do not need to enter anything into this column.
- The last column includes four checkboxes. Please check the appropriate box to indicate whether the hourly rate is a decrease from FY23, the same as FY23, an increase from FY23, and the date of the last increase.

Include in your description what methods your program will use to create an opportunity to utilize volunteers in the future. The waiver must have the approval of ICDVVA.
