In April 2025, the Idaho State Legislature passed [S1203](#) which provides a one-time appropriation of \$3 million for State Fiscal Year 2026 to supplement the funding available to children's advocacy centers and to be administered by the Idaho Council on Domestic Violence and Victim Assistance (ICDVVA).

Expectations

ICDVVA requires programs to use funding to address the immediate health and safety of crime victims. Applicants for the Idaho State CAC Funding are expected to:

- Meet requirements and adhere to policies specified by ICDVVA
- Prioritize funds to provide or improve direct services which offer immediate, personalized assistance to victims of crime
- **Collaborate** constructively within the community to provide victim services, including partnering with other victim service programs, law enforcement, healthcare, and the criminal justice system
- **Participate in Quarterly Data Collection.** All subgrantees are required to collect and report program-required data quarterly to ICDVVA.

Eligible Applicants

This funding announcement is open to existing subrecipients. As ICDVVA grants are awarded on a federal fiscal year schedule, new applicants would be eligible for funding beginning on October 1, 2025. Existing subrecipients would be eligible for an amendment to their existing subaward for July 1-September 30, 2025, as well as for a new subaward beginning on October 1, 2025. Eligible applicants must be programs operated by a public, tribal, or nonprofit organization, or a combination of such organizations, and provide children's advocacy services to crime victims. Applicants must meet the following additional eligibility requirements:

4. Must be able to demonstrate collaboration within the community.

6. New applicants are required to demonstrate that they have a record of providing effective direct services to crime victims and have other sources of financial support.
7. All applicants must comply with federal civil rights law, which prohibits discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to the programs and activities.
8. A religiously affiliated organization must ensure that services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event.
9. Maintain confidentiality of clients as outlined in ICDVVA policies.
10. Ensure programs and services are appropriately survivor-centered and trauma-informed.

APPLICATION REVIEW INFORMATION

Review and Selection Process

ICDVVA staff will review the applications for completeness and make them available to the grant reviewers for their evaluation.

- If an applicant is not awarded funds, they will receive a denial letter. The applicant can then request a summary of the review.
- Unsuccessful applicants will be afforded a reasonable opportunity to appeal to the ICDVVA Council; appeals must be submitted in writing within thirty (30) days of notice of denial and must contain the basis of the appeal.

Award Notices

ICDVVA will determine the final allocation of awards. The results will be distributed to applicants via email and on ICDVVA's website. If the applicant accepts the grant award, they will be asked to sign a subaward agreement, and the agreement will then be submitted to the Department of Health and Welfare for processing. Upon acceptance of the terms and conditions of the award by both parties, final processing of the subaward agreement will occur. Grant awards are not considered final until the subaward agreement has been fully executed by both parties. ICDVVA reserves the right to terminate funding if a subrecipient is not in good standing.

Additional information about the ICDVVA grant award process is available in the ICDVVA Grant Administration Policies and Procedures available on the ICDVVA [website](#).
